

Sheep Innovation Day & Farm Tour

Hosted by **BreedersBEST** *Genetics*

A day designed to re-energise your approach to sheep in great southern farming systems!

Thursday September 9
9.30am to 4.30pm at Genstock
"Sherwood" 334 Shamrock Road Kojonup

We tour the extensive confinement feeding set-up, the feedlot and take a look at pasture innovation and manipulation trials that are now underpinning the sheep system here.

Presenters include Paul Omodei, Rob Davidson, Damien Giumelli, Tim Trezise, Dave Pethick, Serena Hancock, Allan Hoble, Michylla Seal, Dave Beatty, Richard Coole and Wayne Pech.

Full program available for download at www.walrc.com.au

Sheep handling equipment and animal health products on display from an array of exhibitors.

Please RSVP for catering purposes to Esther Jones at the WA Livestock Research Council on admin@walrc.com.au or text your replies to 0418 931 938.
